

County of Monroe, Michigan

Public Summary of FOIA Procedures and Guidelines

It is the public policy of this state that all persons (except those persons incarcerated in state or local correctional facilities) are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and public employees.

The people shall be informed so that they may fully participate in the democratic process.

Consistent with the Michigan Freedom of Information Act (FOIA), Public Act 442 of 1976, the following is the Written Public Summary of the County's FOIA Procedures and Guidelines relevant to the general public.

1. How do I submit a FOIA request to the County?

- All requests must be in writing. FOIA request may be submitted on line at http://cms.revize.com/revize/monroecounty/4.FOIA_Request_for_Public_Records_Form_with_extension.pdf and other FOIA-related forms are available for your use and convenience on the County's website https://co.monroe.mi.us/online_services/foia_request/index.php or at any County Facility. However, the County may provide requested information available in public records without receipt of a written request if the request is made in sufficient detail and description for the FOIA Coordinator to identify the public record requested.
- If you do not use the FOIA Request Form, please include the words "FOIA" or "FOIA Request" at the top of the request to assist the County in providing a prompt response.
- All requests must sufficiently describe a public record so as to enable the County to find it.
- Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the County may be submitted on the County's FOIA Request Form at http://cms.revize.com/revize/monroecounty/4.FOIA_Request_for_Public_Records_Form_with_extension.pdf, or in any other form of writing (letter, fax, email, etc.).

2. What kind of response can I expect to my request?

- Within 5 business days after receiving a FOIA request the County will issue a response. If a request is received email, the request is deemed to have been received on the following business day. The County will respond to your request in one of the following ways:
 - ❖ Grant the request,
 - ❖ Issue a written notice denying the request,
 - ❖ Grant the request in part and issue a written notice denying in part the request,
 - ❖ Issue a notice indicating that due to the nature of the request the County needs an additional 10 business days to respond, or
 - ❖ Issue a written notice indicating that the public record requested is available at no charge on the County's website
- If the request is granted, or granted in part, the County will ask that payment be made for the allowable fees associated with responding to the request before the public record is made available.
- If the cost of processing the request is expected to exceed \$50, or if you have not paid for a previously granted request, the County will require a deposit before processing the request.

3. What are the County's deposit requirements?

- If the County has made a good faith calculation that the total fee for processing the request will exceed \$50.00, the County will require that you provide a deposit in the amount of 50% of the total estimated fee. When the County requests the deposit, it will provide you a non-binding best efforts estimate of how long it will take to process the request after you have paid your deposit.
- If the County receives a request from a person who has not paid the County for copies of public records made in fulfillment of a previously granted written request, the County will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when **all** of the following conditions exist:
 - ❖ The final fee for the prior written request is not more than 105% of the estimated fee;
 - ❖ The public records made available contained the information sought in the prior written request and remain in the County's possession;
 - ❖ The public records were made available to the individual, subject to payment, within the best effort time frame estimated by the County to provide the records;

- ❖ Ninety (90) days have passed since the County notified the individual in writing that the public records were available for pickup or mailing;
 - ❖ The individual is unable to show proof of prior payment to the County; and
 - ❖ The County has calculated an estimated detailed itemization that is the basis for the current written request's increased fee deposit.
- The County will not require the 100% estimated fee deposit if any of the following apply:
- ❖ The person making the request is able to show proof of prior payment in full to the County;
 - ❖ The County is subsequently paid in full for all applicable prior written requests; or
 - ❖ Three hundred sixty five (365) days have passed since the person made the request for which full payment was not remitted to the County.

4. How does the County calculate FOIA processing fees?

The Michigan FOIA statute permits the County to charge for the following costs associated with processing a request:

- Labor costs associated with copying or duplication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- Labor costs associated with searching for, locating and examining a requested public record, when failure to charge a fee will result in unreasonably high costs to the County.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure, when failure to charge a fee will result in unreasonably high costs to the County.
- The cost of copying or duplication, not including labor, of paper copies of public records. This may include the cost for copies of records already on the County's website if you ask for the County to make copies.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media. This may include the cost for copies of records already on the County's website if you ask for the County to make copies.
- The cost to mail or send a public record to a requestor.

Labor Costs

- All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.
- Labor costs will be charged at the hourly wage of the lowest-paid County employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. County may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.

- Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.
- Contracted labor costs will be charged at the hourly rate of \$48.90 (6 times the state minimum hourly wage)

A labor cost will not be charged for the search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the County. Costs are unreasonably high when they are excessive and beyond the normal or usual amount for those services compared to the County's usual FOIA requests, because of the nature of the request in the particular instance. The County must specifically identify the nature of the unreasonably high costs in writing.

Copying and Duplication

The County must use the most economical method for making copies of public records, including using double-sided printing, if cost-saving and available.

Non-paper Copies on Physical Media

- The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will be charged only if the County has the technological capability necessary to provide the public record in the requested non-paper physical media format.

Paper Copies

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper.
- Copies for non-standard sized sheets will paper will reflect the actual cost of reproduction.

Mailing Costs

- The cost to mail public records will use a reasonably economical and justified means.
- The County may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless you request it.

Waiver of Fees

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. The County Board of Commissioners may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

5. How do I qualify for an indigence discount on the fee?

The County will discount the first \$20.00 of fees for a request if you submit an affidavit stating that you are:

- Indigent and receiving specific public assistance; or
- If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

You are **not** eligible to receive the \$20.00 discount if you:

- Have previously received discounted copies of public records from the County twice during the calendar year; or
- Are requesting information on behalf of other persons who are offering or providing payment to you to make the request.

An affidavit is sworn statement. For your convenience, the County has provided an Affidavit of Indigence for the waiver of FOIA fees on the back of the County FOIA Request Form, which is available on the County's website:

http://cms.revize.com/revize/monroecounty/4.FOIA_Request_for_Public_Records_Form_with_extension.pdf .

6. May a nonprofit organization receive a discount on the fee?

A nonprofit organization advocating for developmentally disabled or mentally ill individuals that is formally designated by the state to carry out activities under subtitle C of the federal developmental disabilities assistance and bill of rights act of 2000, Public Law 106-402, and the protection and advocacy for individuals with mental illness act, Public Law 99-319, may receive a \$20.00 discount if the request meets all of the following requirements in the Act:

- ❖ Is made directly on behalf of the organization or its clients.
- ❖ Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the mental health code, 1974 PA 258, MCL 330.1931.
- ❖ Is accompanied by documentation of its designation by the state, if requested by the public body.

7. How may I challenge the denial of a public record or an excessive fee?

Appeal of a Denial of a Public Record

If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may appeal to the Monroe County Board of Commissioners by filing a written appeal of the denial.

The appeal must be in writing, specifically state the words "FOIA Appeal," and identify the reason or reasons you are seeking a reversal of the denial. You may use the County FOIA Appeal Form (To Appeal a Denial of Records), which is available on the County's website:

http://cms.revize.com/revize/monroecounty/FOIA/6.FOIA_Appeal_Form_To_Appeal_a_Denial_of_Records_submit.pdf .

The Monroe County Board of Commissioners is not considered to have received a written appeal until the first regularly scheduled Board of Commissioner's meeting following submission of the written appeal. Within 10 business days of receiving the appeal the Chairman of the Monroe County Board of Commissioners will respond in writing by:

- ❖ Reversing the disclosure denial;

- ❖ Upholding the disclosure denial; or
- ❖ Reverse the disclosure denial in part and uphold the disclosure denial in part.

Whether or not you submitted an appeal of a denial to the Monroe County Board of Commissioners, you may file a civil action in the County Circuit Court within 180 days after the County's final determination to deny your request. If you prevail in the civil action the court will award you reasonable attorneys' fees, costs and disbursements. If the court determines that the County acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of \$1,000.

Appeal of an Excess FOIA Processing Fee

If you believe that the fee charged by the County to process your FOIA request exceeds the amount permitted by state law, you must first appeal to the Monroe County Board of Commissioners by filing a written appeal for a fee reduction.

The appeal must specifically state the words "FOIA Appeal" and identify how the required fee exceeds the amount permitted. You may use the County FOIA Appeal Form (To Appeal an Excess Fee), which is available at the County's website:

http://cms.revize.com/revize/monroecounty/FOIA/5.FOIA_Appeal_Form_To_Appeal_an_Excess_Fee_submit.pdf .

The Monroe County Board of Commissioners is not considered to have received a written appeal until the first regularly scheduled Board of Commissioner's meeting following submission of the written appeal. Within 10 business days after receiving the appeal, the Chairman of the Monroe County Board of Commissioners will respond in writing by:

- ❖ Waiving the fee;
- ❖ Reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
- ❖ Upholding the fee and issue a written determination indicating the specific basis that supports the required fee; or
- ❖ Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Board of Commissioners will respond to the written appeal.

Within 45 days after receiving notice of the Monroe County Board of Commissioner's determination of the processing fee appeal, you may commence a civil action in the County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys' fees, costs and disbursements. If the court determines that the County acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of \$500.
